## PROCEEDINGS

The Chairperson welcomed all the members of the Department Faculty Board

**ITEM - 01:** The committee reviewed and understood the background and the current ongoing approved curriculum

**ITEM: 02:** The committee reviewed and discussed the changes required in the course syllabi to reflect the local, national, regional and global developmental needs. It was observed that the syllabus caters to the local, national, regional and global developmental needs. Contemporary case studies need to be incorporated in pedagogy for better outcomes.

**ITEM: 03:** The committee reviewed and discussed the employability/ entrepreneurship/ skill development in course curriculum and suggested changes.

**ITEM: 04:** The committee reviewed and discussed the status of Professional Ethics, Gender, Human Values, Environment and Sustainability in course curriculum. It was observed that the curriculum has incorporated the required inputs. Student engagement through activities of clubs and cells is providing additional opportunity for development of ethics and values.

**ITEM: 05:** The committee reviewed and discussed the PO attainment of all courses of MBA. It was observed that critical thinking needs to be emphasized by student engagement in research.

**ITEM: 06:** The committee reviewed and discussed the stakeholder feedback. It was recommended that interactive video case studies be incorporated in the pedagogy.

**ITEM: 07:** The committee reviewed and discussed the Course contents of all courses of the MBA Program.

The course syllabi need to be revised to reflect the above-mentioned objectives.

**PS:**

The Department Faculty Board resolved that the proposed changes and amendments should be incorporated in the current syllabus approved by Board of Studies as addendum to the Board of Studies.

Later the same may be authorized by the signature of the competent authority.
